BRISA®

As the first breathable performance fabric in its class, Brisa® is designed with beauty, functionality, and durability in mind. Unlike standard leather hides, this green alternative to leather, does not have size limitations for upholstery, and delivers the added benefit of sound absorption.

Pair Brisa® with DFB's prefabricated Panel-Tex™ panels, for a sharp and sophisticated look. Brisa® can be wrapped around square, beveled, and rounded edge, Plank panels.
