

Cleaning instructions for DFB Sol-R-Shade® Fabrics Styles:**G10, G10-B, G20, G30, G35, G40, G45, G55, G70, G85, G90**

The following cleaning practices will not affect the products' ability to resist the growth of microorganisms.

- Clean with mild soap and water.
- If cleaners other than mild soap and water are desired, test in an inconspicuous area prior to use.
- Avoid strong cleaners and disinfectants, especially those containing quaternary ammonium compounds and phenols.
- Rinse thoroughly after cleaning.

Cleaning instructions for DFB Sol-R-Shade® Fabrics Styles:**G50, G60, G80**

- Fabrics should be regularly dusted/vacuumed as needed. If commercial spot cleaners are used, they should first be tested and allowed to dry on an inconspicuous area to ensure compatibility.
- Do not dry clean or steam clean.

Cleaning instructions for DFB Sol-R-Shade® Fabrics Styles:**G10-A**

The metalized coating is fragile, and must be handled with care to avoid damage. Do not scrub. Do not use tape, solvents or abrasive cleaners, which could damage the fabric coating.

Clean with a damp, soft cloth, using a mild detergent. Rinse with clean water and allow shade to dry in the down position.

Paint solvents will damage the vinyl coating of DFB Sol-R-Shade® products and should not be used.
