5 Basic Shapes

Our 5 basic shapes are designed to fit together like a puzzle, and can be installed wall to wall, ceiling to floor, or with negative space.

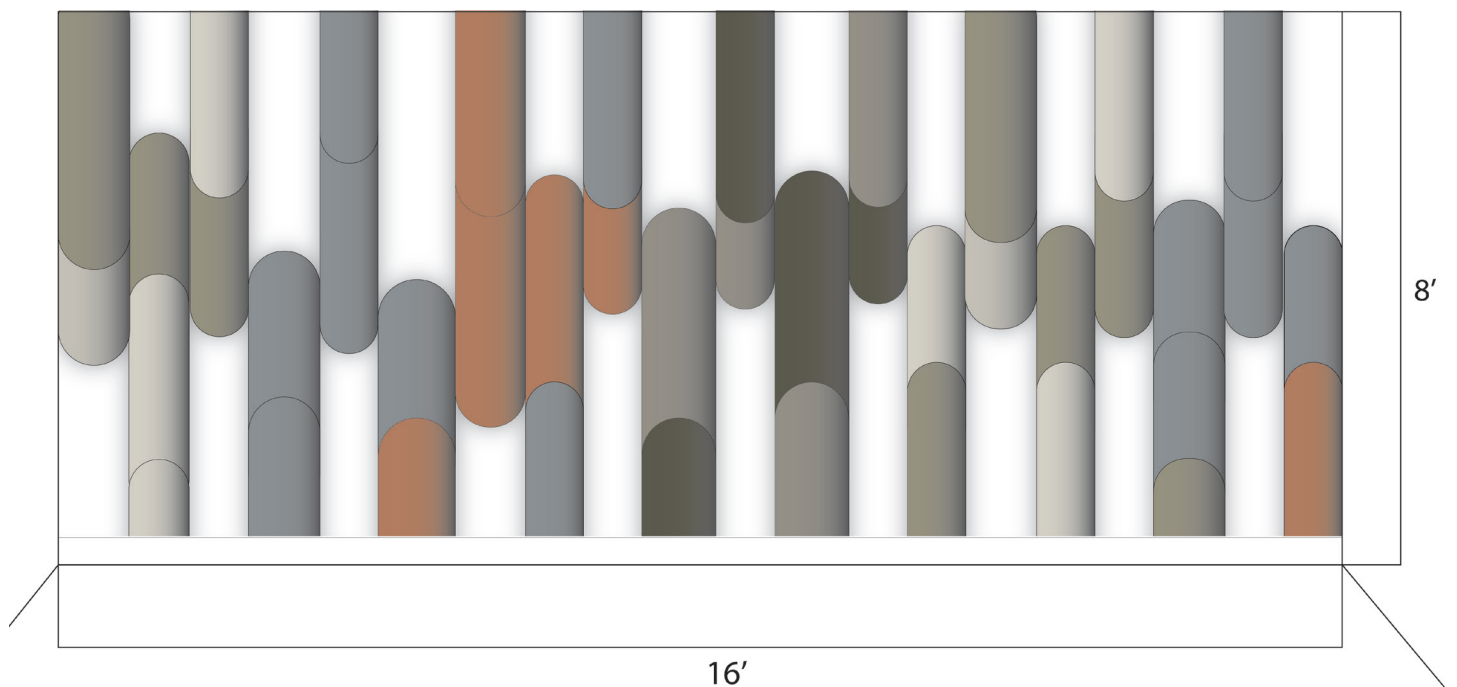

Below are a few layouts that can be used as inspiration for your next project. Not only do these panels provide versatility in shape and size, but they can be installed vertically and horizontally, in any direction, as seen in the below concepts.

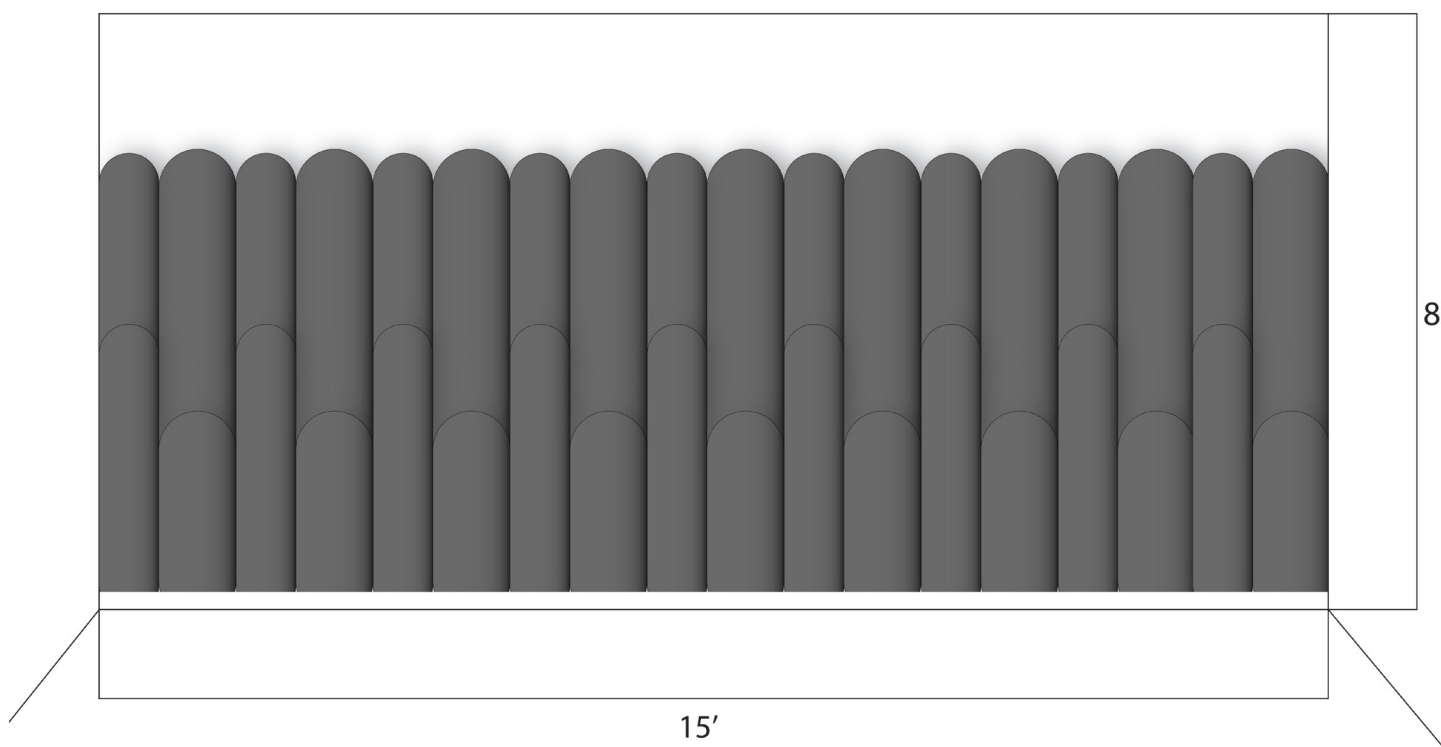

Concept 1: A mix of Shape A and Shape B , vertical panels

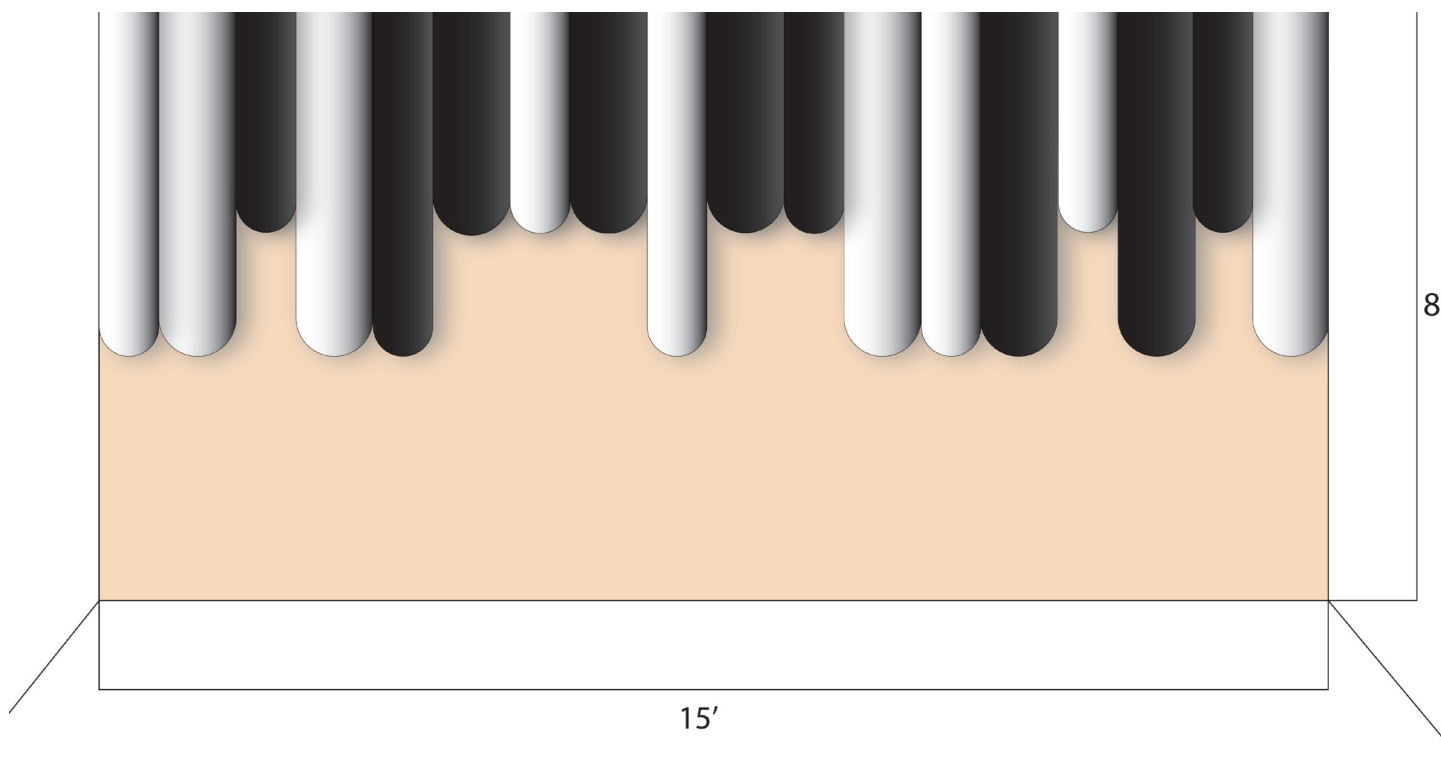

Concept 2: A mix of Shape A and Shape B, vertical panels

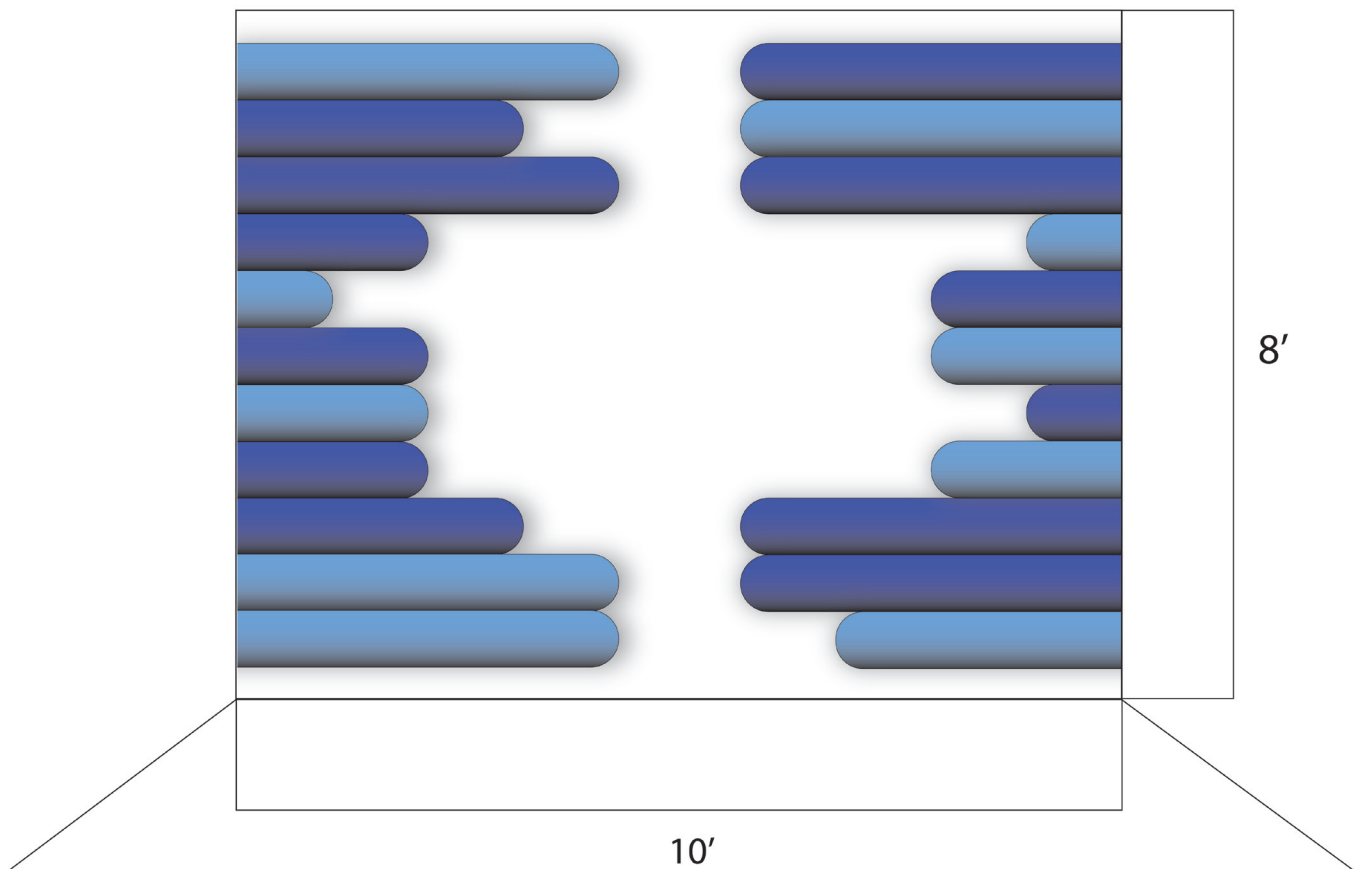

Concept 3: A mix of Shape A and Shape B, vertical panels

Concept 4: A mix of Shape A and Shape B, vertical panels

Concept 5: Shape A, horizontal panels

Concept 6: A mix of Shape A, Shape B, Shape C, horizontal panels, full wall
